

TOADS Enrollment Agreement

You are enrolling for a full quarter of preschool with the Tacoma Outdoor Ability Development School. Your payment holds your spot for the quarter and will not be reimbursed due to inability to attend. Mid-quarter disenrollment needs to be communicated in writing within five days of your first class or you will need to continue payments throughout the quarter. This preserves the continuity of the social group for those who are enrolled.

You will need to pay a non-refundable deposit of \$50 toward your tuition when you register. The remainder of your tuition is due on the first day of class, or in three payment installments as follows (examples are based on one student enrolled two days a week for fall quarter):

- Remainder of first payment on 1st day of class (\$40 on September 11)
- Second payment on the 1st day of the second month (\$90 on October 1)
- Third payment on the 1st day of the third month (\$90 on November 1)

There are 10 weeks of classes offered during each quarter. Your payments do not coincide with the number of classes in a particular month. If the teacher is sick, there will be a qualified substitute teacher, or a class will be offered during a scheduled break week.
